LA Trade Tech College
Paint Color Survey

Originally submitted:
03/28/16

Modified:
05/12/16

The goal of this survey: to review existing paint colors and develop/recommend a palette for future paint applications (namely Sequoia Hall), that is sympathetic to existing buildings campus-wide.

Dunn Edwards colors are prefaced with DE
Benjamin Moore colors are prefaced with BM

Sequoia Hall - Existing

On the following pages are a few suggested palettes to start the conversation. Renderings are not 100% accurate representations of color. Paint options should be tested on the actual building and viewed in natural light prior to application.
